

A service history that stays with the boat

Stamped by a Verified professional, who confirms they carried out the work. The owner can't edit it.

1 · SCAN

A sticker at the helm

Each boat gets a unique QR sticker in marine-grade laminated vinyl. The professional scans it after the job.

2 · STAMP OR CHECK

Only Verified professionals

Insurance, identity and trade qualifications checked by Marine Match. Every entry carries a declaration:

Stamped by a Verified professional

"I confirm I or my business carried out this work on this boat on [date]."

Checked by a Verified professional

"I confirm I inspected this boat on [date] and the work described is present and as stated. I did not carry it out."

Owner entries are marked self-reported.

3 · TRANSFER

Follows the boat on sale

On sale the record passes to the buyer, with the seller's details and costs removed.

10 SEPT 2026 · SERVICE

Annual engine service

Oil and filter change, fuel filters, raw-water strainer cleaned, test run under load.
